

# GROUP VOLUNTEER OPPORTUNITIES

Thank you for your interest in a group volunteering opportunity with The Shelter Association of Washtenaw County. We have some ideas listed below and are open to your ideas as well! Please review the list with your group and reach out to [gemlerd@washtenaw.org](mailto:gemlerd@washtenaw.org) to help you coordinate the details.

## GROUPS OF 4-10

### **THROW A FRESH COAT OF PAINT ON OUR WALLS**

Bring some cheer to our rooms! Gather a group, throw on some old clothes and pick a day to come in and paint the rooms in the Shelter. We will supply the paint and supplies. This can be a one day project, or your group can come back to add a second coat. Make it fun by bringing music and snacks. Any day between 9a and 5p.

### **HOST BREAKFAST AT THE SHELTER**

Did you know our clients have to go out into the crisp winter morning air just to get breakfast? Bring them a morning of warmth by gathering your favorite continental breakfast items and serving our clients on our two residential floors. Any day 630a-830a.

## GROUPS OF 8-20

### **U OF M CONCESSIONS**

Gather a group and staff a U of M concession stand for a sporting event. The more people you bring, the bigger the event you can work. If you have 10-15 people, you can work the football games, 4-8 people, you can work a soccer or a hockey game. The Shelter Association receives money for the number of volunteers involved, receives all the tips, and will be recognized at the event.

### **HOST A COMMUNITY EVENT IN THE SHELTER**

Host a board game, bingo, arts and crafts, or movie event for our Shelter guests. We can supply a space with tables and chairs, a projector, board games and a popcorn machine. You coordinate the event, create a flier, supply any additional materials and staff it.

## ANY SIZE

### **SHARE YOUR SKILLS**

Are you a yogi? Do you play an instrument or sing? Good at improv or comedy? Are you a professional that can provide a service or an informational presentation? Organize an event for our Shelter guests and have your group manage seating, snacks, and support.
